

CDC's Public Health Grand Rounds Presents:
“Public Health Law: A Tool to Address Emerging Health Concerns”

Tuesday, December 13, 2016

1:00 p.m. – 2:00 p.m. EDT

Global Communications Center (Building 19)

Alexander D. Langmuir Auditorium

Roybal Campus

Law is a critical tool for protecting and promoting the health of the public. Some of history's greatest public health successes, such as childhood immunization and safer workplaces, would not have been possible without changes to laws and policies. But public health law also involves evaluating laws, even ones not traditionally seen as health related, and exploring their impact on individuals and communities. Such analyses provide evidence that policymakers can use to inform future lawmaking.

Increased understanding of the influence of social determinants on health has brought about innovative policy approaches including Health in All Policies. Public health law is an integral part of these initiatives and seeks to contribute to the advancement and promotion of health for all.

In this session of Public Health Grand Rounds, we celebrate the 15th anniversary of CDC's Public Health Law Program. Speakers will provide an overview of public health law, describe how it is an essential component of contemporary public health practice, and discuss the emergence of modern concepts of public health law, including legal epidemiology.

Presented by:

Montrece McNeill Ransom, JD, MPH

*Team Lead, Public Health Law Training and Workforce Development
Public Health Law Program
Office for State, Tribal, Local, and Territorial Support, CDC*
“Public Health Law in the Twenty-first Century”

Matthew Penn, JD, MLIS

*Director, Public Health Law Office
Office for State, Tribal, Local, and Territorial Support, CDC*

“Using Law to Improve Public Health Practice”

Karen DeSalvo, MD, MPH, MSc

Acting Assistant Secretary for Health

U.S. Department of Health and Human Services

“Developing and Implementing Local Laws that Enhance Community Health”

Facilitated By:

John Iskander, MD, MPH, *Scientific Director*, Public Health Grand Rounds

Phoebe Thorpe, MD, MPH, *Deputy Scientific Director*, Public Health Grand Rounds

Susan Laird, MSN, RN, *Communications Director*, Public Health Grand Rounds

For CDC staff unable to attend the event:

The session will be available on [IPTV](#).

For non-CDC staff interested in viewing the session:

A live external webcast will be available via the Webcast Links section of our [website](#). For individuals who are unable to view the session during the scheduled time, a video of the session will be posted to our [archives](#) 2-3 days after the presentation.

For non-CDC staff who wish to attend in person:

Due to security measures at CDC’s Roybal campus, non-CDC staff who wish to attend these sessions in person must have prior clearance and a U.S. state-issued photo ID (e.g., driver’s license, US passport). Names of non-CDC staff (both domestic and international) who wish to attend in person should be submitted to the [Grand Rounds Team](#). Please note that all information for international visitors must be submitted at least 10 business days in advance.

For individuals requiring reasonable accommodations:

It is the policy of CDC to provide reasonable accommodations (RA) for qualified individuals with disabilities to ensure their full inclusion in CDC-sponsored events. Employees are asked to submit RA requests at least **5 business days prior to the event**. Please e-mail the request to grandrounds@cdc.gov.

Grand Rounds is available for Continuing Education.

ALL Continuing Education hours for Public Health Grand Rounds (PHGR) are issued online through the [CDC/ATSDR Training and Continuing Education Online system](#). If you have questions, [e-mail](#) or call Learner Support at 1-800-418-7246 (1-800-41TRAIN).

Those who attend PHGR either in person, Envision, IPTV, or “web on demand” and who wish to receive continuing education must complete the online seminar evaluation. Thirty days from the initial seminar the course number will change to WD2346 and will be available for continuing education until December 13, 2018. The course code for PHGR is **PHGR10**.

Target Audience: Physicians, nurses, epidemiologists, pharmacists, veterinarians, certified health education specialists, laboratorians, others

Objectives:

1. List key measures of burden of disease involving morbidity, mortality, and/or cost.

2. Describe evidence-based preventive interventions and the status of their implementations.
3. Identify one key prevention science research gap.
4. Name one key indicator by which progress and meeting prevention goals is measured.

CE certificates can be printed from your computer immediately upon completion of your online evaluation. A cumulative transcript of all CDC/ATSDR CE's obtained through the TCE Online System will be maintained for each user. We hope that this will assist CDC staff and other public health professionals to fulfill the requirements for their professional licenses and certificates.

For Continuing Medical Education for Physicians (CME):

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For Continuing Nursing Education for Nurses (CNE):

The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides 1 contact hours.

For Continuing Education Contact Hours in Health Education (CECH):

Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designed for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to 1.0 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 0. CDC provider number **98614**.

IACET Continuing Education Units (CEU):

The Centers for Disease Control and Prevention is authorized by IACET to offer 0.1 CEU's for this program.

For Continuing Pharmacy Education (CPE):

(For EV2346 (SC) - live course)

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is a designated event for pharmacists to receive 0.1 CEUs in pharmacy education. The Universal Activity Number is 0387-0000-16-110-L04-P.

(For WD2346 -Web on demand)

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is a designated event for

pharmacists to receive 0.1 CEUs in pharmacy education. The Universal Activity Number is 0387-0000-16-110-H04-P.

Course Category: This activity has been designated as knowledge-based.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

For AAVSB/RACE:

This program was reviewed and approved by AAVSB RACE program for 1.0 hours of continuing education. Participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession.

For Certified Public Health:

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 1 CPH recertification credits for this program.

CDC is an approved provider of CPH Recertification Credits by the National Board of Public Health Examiners. Effective October 1, 2013, the National Board of Public Health Examiners (NBPHE) accepts continuing education units (CEU) for CPH recertification credits from CDC. Please select CEU as your choice for continuing education when registering for a course on TCEOnline. Learners seeking CPH should use the guidelines provided by the NBPHE for calculating recertification credits. For assistance please contact NBPHE at <http://www.NBPHE.org>.

There is no cost for this program.

Disclosure: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this activity.
