2008 SCHOOL HEALTH PROFILES LEAD HEALTH EDUCATION TEACHER QUESTIONNAIRE

This questionnaire will be used to assess school health education across your state or school district. Your cooperation is essential for making the results of this survey comprehensive, accurate, and timely. Your answers will be kept confidential.

INSTRUCTIONS

- 1. This questionnaire should be completed by the **lead health education teacher** (or the person acting in that capacity) and concerns only activities that occur in the <u>school listed below</u>. Please consult with other people if you are not sure of an answer.
- 2. Please use a #2 pencil to fill in the answer circles completely. Do not fold, bend, or staple this questionnaire or mark outside the answer circles.
- 3. Follow the instructions for each question.
- 4. Write any additional comments you wish to make at the end of this questionnaire.
- 5. Return the questionnaire in the envelope provided.

preve	ention and cessation	0	0
m. Supp	orting others who abstain from or want to quit using tobacco.	0	0
n. Supp	orting school and community action to support a tobacco-free	;	
envir	onment	0	0
o. Ident	tifying harmful effects of tobacco use on fetal development	0	0

9.	During this school year, did teachers in this school teach each of the following HIV,
	STD, or pregnancy prevention topics in a required course for students in any of
	grades 6, 7, or 8? (Mark yes or no for each topic; or mark NA for each topic if your
	school does not contain grades 6, 7, or 8.)

	Topic	Yes	No	NA
a.	The differences between HIV and AIDS	0	0	0
b.	How HIV and other STDs are transmitted	0	0	0
c.	How HIV and other STDs are diagnosed and treated	0	0	0
d.	Health consequences of HIV, other STDs, and pregnancy	0	0	0
e.	The benefits of being sexually abstinent	0	0	0
f.	How to prevent HIV, other STDs, and pregnancy	0	0	0
g.	How to access valid and reliable health information, products,			
	and services related to HIV, other STDs, and pregnancy	0	0	0
h.	The influences of media, family, and social and cultural			
	norms on sexual behavior	0	0	0
i.	Communication and negotiation skills related to eliminating			
	or reducing risk for HIV, other STDs, and pregnancy	0	0	0
j.	Goal-setting and decision-making skills related to eliminating			
	or reducing risk for HIV, other STDs, and pregnancy	0	0	0
k.	Compassion for persons living with HIV or AIDS	0	0	0

10. During this school year, did teachers in this school teach each of the following HIV, STD, or pregnancy prevention topics in a required course for students in any of grades 9, 10, 11, or 12? (Mark yes or no for each topic; or mark NA for each topic if your school does not contain grades 9, 10, 11, or 12.)

	Topic	Yes	No	NA
a.	The relationship among HIV, other STDs, and pregnancy	0	0	0
b.	The relationship between alcohol and other drug use and			
	risk for HIV, other STDs, and pregnancy	0	0	0
c.	The benefits of being sexually abstinent	0	0	0
d.	How to prevent HIV, other STDs, and pregnancy	0	0	0
e.	How to access valid and reliable health information, products			
	and services related to HIV, other STDs, and pregnancy	0	0	0
f.	The influences of media, family, and social and cultural			
	norms on sexual behavior	0	0	0
g.	Communication and negotiation skills related to eliminating			
_	or reducing risk for HIV, other STDs, and pregnancy	0	0	0
h.	Goal-setting and decision-making skills related to eliminating	,		
	or reducing risk for HIV, other STDs, and pregnancy	0	0	0
i.	Efficacy of condoms, that is, how well condoms work and do			
	not work	0	0	0
j.	The importance of using condoms consistently and correctly	0	0	0
k.	How to obtain condoms	0	0	0

11. During this school year, did teachers in this school teach each of the following nutrition and dietary behavior topics in a required course for students in any of grades 6 through 12? (Mark yes or no for each topic.)

	Topic	Yes	No
a.	Benefits of healthy eating	0	0
b.	Food guidance using MyPyramid	0	0
c.	Using food labels	0	0
d.	Balancing food intake and physical activity	0	0
e.	Eating more fruits, vegetables, and whole grain products	0	0
f.	Choosing foods that are low in fat, saturated fat, and cholesterol	0	0
g.	Using sugars in moderation		
h.	Using salt and sodium in moderation	0	0
i.	Eating more calcium-rich foods		
j.	Food safety	0	0
k.	Preparing healthy meals and snacks	0	0
1.	Risks of unhealthy weight control practices	0	0
m.	Accepting body size differences	0	0
n.	Signs, symptoms, and treatment for eating disorders		

12. During this school year, did teachers in this school teach each of the following physical activity topics in a required course for students in any of grades 6 through 12? (Mark yes or no for each topic.)

	Topic	Yes	No
a.	Physical, psychological, or social benefits of physical activity	0	0
b.	Health-related fitness (i.e., cardiorespiratory endurance, muscular		
	endurance, muscular strength, flexibility, and body composition)	0	0
c.	Phases of a workout (i.e., warm-up, workout, cool down)	0	0
d.	How much physical activity is enough (i.e., determining		
	frequency, intensity, time, and type of physical activity)	0	0
e.	Developing an individualized physical activity plan	0	0
f.	Monitoring progress toward reaching goals in an individualized		
	physical activity plan	0	0
g.	Overcoming barriers to physical activity	0	0
h.	Decreasing sedentary activities such as television viewing	0	0
i.	Opportunities for physical activity in the community	0	0
j.	Preventing injury during physical activity	0	0
k.	Weather-related safety (e.g., avoiding heat stroke, hypothermia,		
	and sunburn while physically active)	0	0
1.	Dangers of using performance-enhancing drugs such as steroids	0	0

HIV PREVENTION

13.	During this school year, did your school provide any HIV, STD, or pregnancy
	prevention programs for ethnic/racial minority youth at high risk (e.g. black,
	Hispanic, or American Indian youth), including after-school or supplemental
	programs, that did each of the following? (Mark yes or no for each activity.)

	Activity	Yes	No
a.	Provided curricula or supplementary materials that include		
	pictures, information, and learning experiences that reflect the		
	life experiences of these youth in their communities	0	0
b.	Provided curricula or supplementary materials in the primary		
	languages of the youth and families	0	0
c.	Facilitated access to direct health services or arrangements with		
	providers not on school property who have experience in serving		
	these youth in the community	0	0
d.	Facilitated access to direct social services and psychological		
	services or arrangements with providers not on school property		
	who have experience in serving these youth in the community	0	0

COLLABORATION

14. During this school year, have any health education staff worked with each of the following groups on health education activities? (Mark yes or no for each group.)

	Group	Yes	No
a.	Physical education staff	0	0
b.	School health services staff (e.g., nurses)	0	0
c.	School mental health or social services staff		
	(e.g., psychologists, counselors, and social workers)	0	0
d.	Nutrition or food service staff	0	0

15. During this school year, did your school provide parents and families with health information designed to increase parent and family knowledge of the following topics? (Mark yes or no for each topic.)

	Topic	Yes	No
a.	HIV prevention, STD prevention, or teen pregnancy		
	prevention	0	0
b.	Tobacco-use prevention	0	0
c.	Physical activity	0	0
d.	Nutrition and healthy eating	0	0
e.	Asthma	0	0

PROFESSIONAL DEVELOPMENT

16. During the past two years, did you receive professional development (such as workshops, conferences, continuing education, or any other kind of in-service) on each of the following topics? (Mark yes or no for each topic.)

	Topic	Y es	N
a.	Alcohol or other drug use prevention	0	0
b.	Asthma awareness	0	0
c.	Emotional and mental health	0	0
d.	Foodborne illness prevention	0	0
e.	HIV (human immunodeficiency virus) prevention		
f.	Human sexuality		
g.	Injury prevention and safety	0	0
ĥ.	Nutrition and dietary behavior		
i.	Physical activity and fitness		
j.	Pregnancy prevention		
k.	STD (sexually transmitted disease) prevention		
1.	Suicide prevention		
m.	Tobacco-use prevention		
n.	Violence prevention, such as bullying, fighting, or homicide		

17. During the past two years, did you receive professional development (such as workshops, conferences, continuing education, or any other kind of in-service) on each of the following topics? (Mark yes or no for each topic.)

	Topic	Yes	No
a.	Describing how widespread HIV and other STD infections		
	are and the consequences of these infections	0	0
b.	Understanding the modes of transmission and effective		
	prevention strategies for HIV and other STDs	0	0
c.	Identifying populations of youth who are at high risk of being		
	infected with HIV and other STDs	0	0
d.	Implementing health education strategies using prevention		
	messages that are likely to be effective in reaching youth	0	0
e.	Teaching HIV prevention education to students with		
	physical, medical, or cognitive disabilities	0	0
f.	Teaching HIV prevention education to students of various		
	cultural backgrounds	0	0
g.	Using interactive teaching methods for HIV prevention		
	education, such as role plays or cooperative group activities	0	0
h.	Teaching essential skills for health behavior change related to		
	HIV prevention and guiding student practice of these skills	0	0
i.	Teaching about health-promoting social norms and beliefs		
	related to HIV prevention	0	0
j.	Strategies for involving parents, families, and others in student		
	learning of HIV prevention education	0	0
k.	Assessing students' performance in HIV prevention education	0	0
1.	Implementing standards-based HIV prevention education		
	curriculum and student assessment	0	0
m.	Using technology to improve HIV prevention education		
	instruction	0	0
n.	Teaching HIV prevention education to students with limited		
	English proficiency	0	0
0.	Addressing community concerns and challenges related to HIV		
	prevention education	0	0

18. Would you like to receive professional development on each of these <u>health</u> <u>education topics</u>? (Mark yes or no for each topic.)

	Topic	Yes	No
a.	Alcohol or other drug use prevention	0	0
b.	Asthma awareness	0	0
c.	Emotional and mental health	0	0
d.	Foodborne illness prevention	0	0
e.	HIV (human immunodeficiency virus) prevention	0	0
f.	Human sexuality	0	0
g.	Injury prevention and safety	0	0
h.	Nutrition and dietary behavior	0	0
i.	Physical activity and fitness	0	0
j.	Pregnancy prevention	0	0
k.	STD (sexually transmitted disease) prevention		
1.	Suicide prevention	0	0
m.	Tobacco-use prevention	0	0
n.	Violence prevention, such as bullying, fighting,		
	or homicide	0	0

19. During the past two years, did you receive professional development (such as workshops, conferences, continuing education, or any other kind of in-service) on each of the following topics? (Mark yes or no for each teaching topic.)

	Topic	Yes	No
a.	Teaching students with physical, medical, or cognitive		
	disabilities	0	0
b.	Teaching students of various cultural backgrounds	0	0
c.	Teaching students with limited English proficiency	0	0
d.	Using interactive teaching methods, such as role plays or		
	cooperative group activities	0	0
e.	Encouraging family or community involvement		
f.	Teaching skills for behavior change	0	0
g.	Classroom management techniques, such as social skills training,		
	environmental modification, conflict resolution and mediation,		
	and behavior management	0	0
h.	Assessing or evaluating students in health education	0	0

20. Would you like to receive professional development on each of these <u>topics</u>? (Mark yes or no for each teaching topic.)

	Topic	Yes	No
a.	Teaching students with physical, medical, or cognitive		
	disabilities	0	0
b.	Teaching students of various cultural backgrounds	0	0
c.	Teaching students with limited English proficiency	0	0
d.	Using interactive teaching methods, such as role plays or		
	cooperative group activities	0	0
e.	Encouraging family or community involvement	0	0
f.	Teaching skills for behavior change	0	0
g.	Classroom management techniques, such as social skills training,		
	environmental modification, conflict resolution and mediation,		
	and behavior management	0	0
h.	Assessing or evaluating students in health education	0	0
